- ❖ Maintain our website
- ❖ Distribute literature
- ❖ Assist members and groups with conflicts with outside organizations

When / Where:

Last Thursday of the month at 6:00 PM (followed by H&I)

A Note Regarding Personal Behavior:

Two of our Public Relations' goals are: to make Narcotics Anonymous members more aware of their role in Narcotics Anonymous' public image, and to aim for the public to recognize Narcotics Anonymous as a positive and reliable organization. In this spirit, it is suggested that we all consider our behavior at NA events, meetings, and in public when identified as members of NA. Remember you may be representing Narcotics Anonymous to someone.
